Sermon Title: Deliver: God Calls

Scripture: Exodus 4

Date: February 18th, 2024

Speaker Name: Justin Chandler

1. Exodus 3 and 4 are one conversation between God and Moses. Let's read both chapters together before we begin.
2. What five reasons did Moses give for not accepting God's call (Ex. 3:11—4:17)?
3. Have you ever felt called or chosen by God for a purpose? What reason(s) might you be tempted to use to dodge the call? (Or would you never dodge it?)
4. What encouragements did God give to Moses as he stepped out in faith (4:18–31)? Which of these would have been encouraging to you, and why?
5. Having Aaron along was an encouragement to Moses. Who is an encouragement to you as you serve the Lord?
6. How can you be an encouragement to someone with whom you serve?
7. *"They will not believe me or listen to my voice"* (Exodus 4:1) is one of our greatest hesitations when sharing with others. How have you overcome this hesitation? How has the Holy Spirit empowered you as you witness?
8. *"What is that in your hand?"* (Exodus 4:2) is the key question from our weekend service. This same question applies to you and I. What is in your hands? Why is what you have enough for God to use you?
9. Can you use what is in your hands (time, talent, treasure) to make a difference with others (family, friends, coworkers, neighbors)?
10. God has everything He needs in the people of Harbor Trinity Church for us to fulfill our purpose as a church as well. Let's pray for God to use our local church to continue to impact others.
