Scripture: Exodus 7:14-9:7

Date: March 10th, 2024

Speaker Name: Justin Chandler

1. Were you able to participate in the One ATTA Time water demonstration and filter experience? What are your thoughts?
2. Why did God use sign judgments with the Pharaoh? Why is this valuable for us to know?
3. Why do you think God didn't send His judgment once (as opposed to multiple signs that we read) when freeing the Israelites from Egypt?
4. What do you learn about God through the various plagues that we have read? What were God's purposes in the plagues?
5. In what ways were the plagues a judgment not only on the Egyptians but also on their gods?
6. What does it mean that Pharaoh hardened his heart?
7. Why can God still hold Pharaoh responsible for his heart when God, at times, was described as doing the hardening?
8. Have there been times when your heart was hardened, or you hardened your heart? Are you willing to share what occurred and where you are now?
9. Have you ever, like Pharaoh, made a promise to God in a time of trouble but did not follow through? If so, what kept you from following through? How does this compare to Pharaoh?
10. Exodus 9:1-7 ends by stating, "*and [Pharaoh] did not let the people go.*" There may be something that we are having a hard time letting go of today despite how God is asking us to. Let's pray for God to set us free.
